

JOB ANNOUNCEMENT: Water Engineer, Kenosha Water Utility

Location: Kenosha, Wisconsin

Type of Employment: Full Time (40 hrs/week)

Salary: 2008 Salary range of \$61,272 to \$75,084 plus excellent benefits package

Contact: Sue Hill, City of Kenosha - Personnel Department
262-653-4129/4130 or psueh@kenosha.org
or visit web site at www.kenosha.org

Area of Competition: Open

Deadline to Apply: 7/18/2008 or until position filled

Introduction:

The Kenosha Water Utility provides municipal water and wastewater services to the Kenosha community (pop. 95,000+), ideally located midway between Chicago and Milwaukee on the shores of beautiful Lake Michigan.

Job Duties:

This position is responsible for the planning and implementation of Kenosha Water Utility construction projects. The incumbent coordinates, reviews and certifies the work of contractors and consultants to be in compliance with contractual terms and local, state, federal requirements.

Requirements:

Must have a Bachelors Degree majoring in engineering discipline from an accredited institution, plus 3-5 years of utility engineering design experience. Position will require a Professional Engineer's License.

How to Apply:

City application required (resume may be included). Application and complete job description available at:
