The Minnesota Ground Water Association is excited to announce the annual Gil Gabanski Student Scholarship!

- One $1,500 scholarship for an undergraduate student
- One $1,500 scholarship for a graduate student

Who can apply?

Students majoring in hydrogeology, groundwater hydrology, or similar programs at an accredited college or university in Minnesota or an adjoining state or province.

What can this scholarship be used for?

The goal of this scholarship is to alleviate a portion of the educational costs of qualified students, while also increasing their interest in the professions of hydrogeology, groundwater geology, and related programs.

Apply online:

The application form and additional information can be found on our website at: http://www.mgwa.org/scholarship

Deadline: January 27, 2020
