*This position may be located at one of the MPCA office locations: Duluth, Brainerd, St. Paul, Rochester, Detroit Lakes, Marshall or Mankato.

The work you'll do is more than just a job.

At the State of Minnesota, employees play a critical role in developing policies, providing essential services, and working to improve the well-being and quality of life for all Minnesotans. The State of Minnesota is committed to equity and inclusion, and invests in employees by providing benefits, support resources, and training and development opportunities.

Job Summary

This position exists to perform petroleum contamination related investigations and remediation actions using the authority established under state and federal statutes. Develop with other members of the team, and MPCA contractors a scope of work for remedial investigation, feasibility study and response action for each assigned site. Develop a preliminary fund-financed strategy and determine the availability of federal or state fund dollars for applicable sites. Review work plans and prepare work orders in accordance with the Superfund, Petroleum, and Agriculture Environmental Professional Master Contract and MPCA contracting procedures. Review and approve invoices for work completed under approved site work plans. This position requires knowledge of Agency Remediation programs such as the Petroleum Remediation Program, and Emergency response Program. Apply the Petroleum Remediation Program guidelines, Minn. Rules ch. 7037, and Petrofund guidelines and rules.

Minimum Qualifications

Two years advanced professional experience remediating contaminated properties including some experience with petroleum remediation. (Advanced professional-level experience is equivalent to Senior Environmental Specialist/Environmental Specialist 3 level work).

Candidates must be skilled in communicating, negotiating and collaborating with stakeholders who have varying ways of contributing to project outcomes. Communication skills must be sufficient to present information and results concerning environmental and public health risks.

Candidates must have effective planning and project management skills and the ability to make environmental risk decisions based on data.

The Minnesota Pollution Control Agency will not sponsor applicants for work visas including F-1 STEM OTP extensions.

In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the require employment eligibility verification form upon hire. Individuals must be legally authorized to work in the United States.

Preferred Qualifications

Knowledge of Agency Remediation programs such as the Petroleum Remediation Program, Brownfields Program, Emergency Management Unit and the Petrofund rules.

Advanced experience in petroleum site environmental investigations and cleanup.

Experience in drafting scopes of work and budgets for environmental investigations and cleanups.

Experience in leading and coordinating teams, including guiding and developing team members and monitoring individuals and team performance.

Data analysis and data management experience sufficient to identify and report information that is critical to program issues and decision-making.

Ability to:

Develop management plans and enforcement strategies and milestones for complex and often unique site situations.

Plan, coordinate, influence, negotiate with other agency staff, other government agencies or departments and state contractors.

Resolve potentially contentious, controversial, and complex environmental issues.

Apply the Petroleum Remediation Program guidelines, Minn. Rules Ch. 7037, and Petrofund guidelines/rules.

Physical Requirements

Requires occasionally lifting and/or carrying such articles as file folders, ledgers, and small equipment. Although a sedentary job is defined as one which involves sitting, a certain amount of walking and standing is often necessary in carrying out job duties.

Additional Requirements

Position duties may require travel but driving is not a minimum qualification or essential function of this position. Employees who may drive for state business will need their driver's license checked prior to operating a state vehicle.

It is the policy of the Minnesota Pollution Control Agency that all candidates submit to a background check prior to employment. The background check may consist of the following components:

- Conflict of Interest Review
- Criminal History Check
- Education Verification
- Employment Reference / Records Check
- License / Certification Verification where applicable

How to Apply

About Pollution Control Agency

Our mission is to protect and improve the environment and human health. We work with many partners (citizens, communities, and businesses, all levels of government, environmental groups and educators) to prevent pollution, conserve resources, and to help ensure polluting does not have disproportionate impact on any groups of people. We emphasize work-life balance with flex schedules, compressed schedules, and options to telework for some positions.

Working together to improve the state we love.

What do Minnesota's State employees have in common?

- A sense of purpose in their work
- Connection with their coworkers and communities
- Opportunities for personal and professional growth

Benefits

As an employee, you'll have access to one of the most affordable health insurance plans in Minnesota, along with other benefits to help you and your family be well.

Your benefits may include:

- Paid vacation and sick leave
- 12 paid holidays each year
- Low-cost medical, dental, vision, and prescription drug plans
 - Fertility care, including IVF
 - Diabetes care
 - Dental and orthodontic care for adults and children
- 6 weeks paid leave for parents of newborn or newly adopted children
- Pension plan that provides income when you retire (after working at least three years)
- Employer paid life insurance to provide support for your family in the event of death
- Short-term and long-term disability insurance that can provide income if you are unable to work due to illness or injury
- Tax-free expense accounts for health, dental, and dependent care
- Resources that provide support and promote physical, emotional, social, and financial well-being

Support to help you reach your career goals:

- Training, classes, and professional development
- Tuition reimbursement
- Federal Public Service Loan Forgiveness Program (Some positions may qualify for the Public Service Loan Forgiveness Program. For more information, visit the Federal Student Aid website at studentaid.gov)

Employee Assistance Program (EAP) for work/life support:

- A voluntary confidential program that helps employees and their families with life challenges that may impact overall health, personal well-being, or job performance
- Common sources of stress can be addressed through the EAP: mental health, relationship challenges (personal and work), grief and loss, finances, and legal issues
- Daily Living/Convenience Services: Chore services, home repair, trip planning, child/elder care

Programs, resources and benefits eligibility varies based on type of employment, agency, funding availability, union/collective bargaining agreement, location, and length of service with the State of Minnesota.

EQUAL OPPORTUNITY EMPLOYERS

Minnesota state agencies are equal opportunity, affirmative action, and veteran-friendly employers. State agencies are committed to creating a workforce that reflects the diversity of the state and strongly encourages persons of color and Indigenous communities, members of the LGBTQIA2S+ community, individuals with disabilities, women, and veterans to apply. The varied experiences and perspectives of employees strengthen the work we do together and our ability to best serve Minnesotans.

All qualified applicants will receive consideration for employment without regard to race, color, creed, religion, national origin, sex (including pregnancy, childbirth, and disabilities related to pregnancy or childbirth), gender identity, gender expression, marital status, familial status, age, sexual orientation, status regarding public assistance, disability, veteran status or activity in a local Human Rights Commission or any other characteristic protected by law.

APPLICANTS WITH DISABILITIES

Minnesota state agencies make reasonable accommodations to their employees and applicants with disabilities. If you have a disability and need assistance in searching or applying for jobs with the State of Minnesota, call the Careers Help Desk at [651-259-3637](tel:651-259-3637) or email careers@state.mn.us and let us know the support you need.
